Subject: Biofuel P1 Fuels and purse for users

Release date: September 7, 2023

Effective date: September 7, 2023

The Rallye de Charlevoix has started an agreement with the biofuel supplier P1 Fuels (also exclusive fuel supplier in the WRC Series). Competitors who wish to use this biofuel during the 2023 edition must order the quantity (litres) desired when registering for the event.

The fuel will have to be paid when picking up their rally documents at the competitors' Happy Hour (Manoir Richelieu, Thursday October 19, between 6:00 p.m. and 8:00 p.m.). The fuel will then be placed at the service area and delivered by the rally organization to the location of each team.

Three types of this biofuel will be available, at the choice of the competitors:

Eco100 Pro 91 AKI (95 RON): \$3.00 CDN per liter

Eco100 RS 95 AKI (101 RON): \$3.60 CDN per liter

Eco100 Power 100 AKI (107 RON): \$4.25 CDN per liter

Competitors using this P1 biofuel will be eligible for the following purse, depending on their National overall classification at the end of the rally:

1st competitor of a 4-wheel drive car using this biofuel: \$1000.00 CDN

2nd competitor of a 4-wheel drive car using this biofuel: \$800.00 CDN

3rd competitor of a 4-wheel drive car using this biofuel: \$650.00 CDN

4th competitor of a 4-wheel drive car using this biofuel: \$550.00 CDN

1st competitor of a 2-wheel drive car using this biofuel: \$1000.00 CDN

2nd competitor of a 2-wheel drive car using this biofuel: \$800.00 CDN

3rd competitor of a 2-wheel drive car using this biofuel: \$650.00 CDN

4th competitor of a 2-wheel drive car using this biofuel: \$550.00 CDN
