Subject: Cancellation of Ste-Croix Stage

Release date: October 10, 2024

Effective date: October 10, 2024

Due to the condition of a section of the road used for the Ste-Croix stage, it will not be possible to hold this Special Stage (SS16-SS19) on Sunday, November 3rd during the 2024 edition of the Rallye de Charlevoix. The organizers regret this situation but understand the decision of the municipality of Saint-Hilarion to deny access given the circumstances.

As a result, a third pass will be added to the La Pax/St-Nicolas stage, for a total of 19 stages instead of the planned 20.

The Routebook, schedule and Recce guide have been updated accordingly.

The revised documents are available to competitors in the email sent with this Bulletin.
