

Bulletin 2

Subject: Change of location for the technical inspection

Release date: October 24, 2024

Effective date: October 24, 2024

The Supplementary Regulations mention that the technical inspection will take place at the service area. Please note that it will instead be held at the École secondaire du Plateau (Polyvalente du Plateau), 88 rue des Cimes, La Malbaie (G5A 1J6).

The time remains unchanged (Friday, November 1, between 10:00 AM and 1:00 PM), BUT it is important that you schedule your inspection time with the technical inspector Jean-François Gid on by sending him an email at the following address:

racercake@hotmail.com

The route to get to the Polyvalente from headquarters can be found in the service book of each team.
